OUR MISSION

Under the Umbrella Thrift Shop is a nonprofit 501(c)(3) organization that advocates awareness for disability (ability). All Disabilities fall Under the Umbrella because every individual is unique. We are focused on educating the value, inclusion and acceptance of ALL who have disabilities.

Disabilities is an **UMBRELLA** term, covering impairments, activity limitations, and participation restrictions. It can include anything from a mental handicap such as Autism, Aspergers, or Dyslexia to a physical handicap such as blindness, deafness, or paralysis. These disabilities affect both the individual and their family.
